CSDJRL

- Trainers- coach cannot be trainer as well, Tackle 13+ and Tag 16+ **MUST** have a blue shirt trainer at every game.
- Managers to check each teams team on My Sideline before game commences
- **A ground manager must be present at every game.** Games will be taken from grounds and clubs fined if this does not happen
- HIA- no way they can return to play, can't play or train until cleared by doctor

• **Regradings**

9(1) to Silver, 10(2) to Bronze, 11 to Silver, 13 (2) to Bronze

Some may be disappointed and some may be happy, but the decisions to re-grade certain teams and in some instances create a third division was made in the best interests of all the teams participating in those competitions, not just individual teams, to ensure longevity of players in our district. We have done our best to make each competition as fair as possible.

Please note the following important info:

- **If a team has been re-graded down a division, they will take their current For and Against points into that grade. This would place most of those teams at the bottom of that respective ladder.**
- **If a team is re-graded into a higher division, they will be placed into fourth position with the same For and Against points as the team that is fourth.**
- **If there are multiple teams that are fourth an average of the for and against from those teams will be used for the team that has been re-graded up.**
- **If a bronze competition has been formed, then all teams that have been placed into a bronze competition will begin on 0 competition points and 0 For and Against as this is a completely new competition.**
 - My Sideline- Populate straight after game if you want but **MUST BE DONE** by Thursday
 - WWC- can't be involved if you don't have one from now
